

ECO CLUB

GRADES 4-6

ALL YEAR LONG!
MAKE FRIENDS.
EXPLORE NATURE.
MAKE A DIFFERENCE.

LEARN ABOUT NATURE.
BUILD A FOOD FOREST.
MAKE A DIFFERENCE.

ECO Club is an adventure in nature, learning, and hands-on action! Together we'll explore science, sustainability, and our community while building a real food forest at Millport Conservancy.

MAKE A
DIFFERENCE

Curious minds. Kind hearts. Thriving Earth. ♥

WHERE: Millport Conservancy
737 E Millport Rd, Lititz, PA 17543

WHAT WE DO:

- Learn about trees, soil, water, and wildlife
- Plant and care for a native food forest
- Explore hands-on projects & experiments
- Work toward real solutions for our community
- Have fun and make lasting memories!

Everyone
belongs here.
All are welcome! ♥
